

Development Supervisor “KM92 Project” Khao Sok

Our Jungle Resorts - Khao Sok, Thailand

Our Jungle Resorts in Khao Sok is looking for a local Thai Development Supervisor with strong connections in the Khao Sok and Ban Sapanh Tao areas to support us in planning and implementing a new Eco Resort project.

The candidate will need to communicate effectively between local onsite staff, outside Thai and foreign consultants and contractors. As well as oversee and verify quality implementation of all gardening, landscaping and construction matters.

The candidate is required to be based in Khao Sok or immediate surroundings, and needs to be able to work independently with the onsite team. Additional assignments will include gathering and communicating information, general progress reporting as well as supporting the local team through procurement trips to Ban Takhun, Surat Thani and Takupa.

Required Skills and Competencies

- Based in or around Khao Sok
- Driving License, (own transport required either car or motorbike)
- Thai local, with English language skills
- Interest and/or experience in Gardening, Landscaping and general Construction.
- Diligent communicator to bridge the gap between all involved parties

Job Responsibilities

- Hire and supervise local onsite team
- Communicate between Architects, Consultants and Local Contractors
- Ensure quality implementation of plans throughout the project development
- Consistent reporting on project progress to respond to upcoming problems early and effectively
- Compensation depends on experience.

Interested candidates may send a resume together with an introduction email to manager@ourjunglekhaosok.com or contact us by phone/line: [+66 64 731 2048](tel:+66647312048) for more information.

Only shortlisted candidates will be contacted.
